| 11 | <b>Details about Mode of Bidding</b>                    | Two-Stage, Two Bid System: This method involves submitting bids in:<br><br><b>Stage 1 - Technical Evaluation:</b><br>This part includes the contractor's technical qualifications, experience, methodology & approach including site establishment, Tools, Plant & Machinery, Manpower deployment and site organization chart, and other non-financial aspects. It shall also include the Design and Methodology Proposal for site development and landscaping works, which must present a detailed approach including design detailing strategy.<br><br><b>Stage 2 - Financial Bid:</b><br>This part contains the contractor's pricing proposal for the project.<br><br><b>Staging &amp; Qualification:</b> The bid evaluation will be carried out in a single submission, two-stage assessment format. In the first stage, the technical bids — including design concepts — will be evaluated to determine compliance with the tender requirements, technical capabilities, design quality, and non-financial criteria. Only those EPC Contractors who score more than 75% in the technical evaluation, including the design detailing strategies, shall qualify for the next stage. In the second stage, the financial bids of only the technically qualified bidders shall be opened. |

**1. Brief Particulars of the work for which Tenders are invited:**

The State Bank of India (SBI) intends to construct Residential and Commercial Outfits comprising

- Commercial units configured as building of Ground + Podium + 6 upper floors SBILD (Training Center) including hostel block, Branch, Home Loan Centre.
- Residential units configured as two building of Ground + Podium + 18 upper floors.

**1.1 Project Description:**

The Rapid Construction project is proposed to be a high-performance Residential and Commercial campus designed to achieve IGBC Platinum rating, ensuring modernity, sustainability, durability, and low maintenance high-rise structure with aim to reduce the time of construction, by utilizing a Monolithic / Shear wall technology/Steel composite structure (For Residential Units). The project shall integrate energy-efficient building systems and construction methods to reduce operational costs and environmental impact. Special emphasis will be placed on accelerated construction techniques to achieve timely completion while maintaining high-quality standards.

The term " **Rapid Construction** " indicates the focus on speed in the construction process.

**Building Description: -****Commercial Building (Ground + Podium + 6 Floors)**

SBILD Premises having Training Centre Lecture halls, Auditorium, Administration area, Recreational Area and Gym, Dining facilities for officers with service kitchen, Separate dining facilities for trainees with a main kitchen for all meals, Library and related amenities. Hostel block for Participants, VIP suites & guest rooms for SBI officers for DGM, GM and for CGM and above, Retail Branch and Home loan center branch etc. with Ground + Podium + 6 upper floors having Built-up area of approx. **1,87,659 Sq. Ft.** with adequate lifts for passengers including fire lift and service lift for carrying goods items.

**Residential (Ground + Podium + 18 Floors)**

This Building Complex consists of two towers of Ground + podium + 18 upper floors buildings comprising Residential Flats (2 BHK for Scale 1, 2 and 3 Officers) / (3 BHK for Scale 4 and 5 Officers) and Community Centre having Built-up area of approx. **2,44,849 Sq. Ft.**,

Along with Accessory / Ancillary buildings like STP, ETP, Substation, UGT, Entrance gates & Guard Rooms etc. having Built up area of approx. **25,403 Sq. Ft.**

The total built-up area for the Residential and Commercial Building is **4,57,911 Sq. Ft.**

**Eligibility Criteria****A. Experience of Similar Works**

1. Only reputed technically & financially sound companies / firms / PSU / Contractors / having required experience in designing and construction of buildings meeting the following eligibility criteria shall be eligible to apply.
2. **Joint Venture and Consortia are not permitted to participate in the bidding.**

**The following are the minimum Prequalification criteria:**

- (i) The firm should have started & successfully completed following similar works during the last 7 years ending 30<sup>th</sup> June 2026.

Three similar works, each costing not less than **40% (76.37 Cr excluding GST)** of the estimated cost.

Or

Two similar works, each costing not less than **50% (95.47 Cr excluding GST)** of the estimated cost.

Or

One similar work, costing not less than **80% (152.75 Cr excluding GST)** of the estimated cost.

**SIMILAR WORK SHALL MEAN WORKS OF:**

**CONSTRUCTION OF MULTI STORIED BUILDINGS** with RCC framed structure (Monolithic/ Conventional) having minimum G/Stilt+15 floor including finishing works, Structural Glazing, internal water supply, sanitary installations and firefighting systems. Also, services i.e., HT & LT External & internal electrical installations, IBMS, PA System, Sub- Station, Transformers, DG Sets, CCTV, Lift, STP, Roof Top Solar Power Plants etc. (at least 5 or more services executed under one composite agreement) in any one of Residential / Office/ Institutional project executed in India. The bidder should have executed similar projects for Public Sector Banks/ Central Government / State Government / Central Autonomous body/ State Autonomous body/ Central Public Sector Undertaking/ State Public Sector Undertaking/ Public Limited (Listed) companies.

**Note:** Bidder shall submit undertaking regarding above mentioned services separately.

The bidders should demonstrate experience in the following works.

**1. EPC Experience:**

The bidder must have successfully completed at least one EPC Contract (Residential or Non-Residential building project) of minimum value of 40% of Estimated Project cost.

**2. Green Building Experience:**

The bidder must have successfully completed at least one project certified with **IGBC/GRIHA/LEED** or an equivalent nationally/internationally recognized green building certification.

**3. Rapid Construction Technology:**

The bidders should demonstrate experience in any one of Rapid construction technologies (Monolithic / Shear Wall technology /steel composite structure) except Pre-Cast Technology in completed projects of Residential / Commercial / office /institutional construction in the last 7 years ending 30/06/2026. (in any contract).

**Note:**

- a) Godowns /Warehouses/factory sheds/industrial buildings shall not be considered as eligible for similar works.
  - b) Mumty and machine room shall not be considered in storey.
  - c) Each stilt constructed in the building shall be considered as a storey.
  - d) For the purpose of similar works, works executed in India only shall be considered.
  - e) The value of completed works shall be brought to the current costing level by enhancing at a simple rate of **7% per annum**.
- (ii) They should undertake to open their office at the project site at their cost, if work is allotted to them. The selected bidder should have adequate knowledge of local byelaws/ statutory requirements and to have expertise to liaise with Local Civic Authorities MIDC, PMC, PCMC, PMRDA etc. for getting the statutory approvals.
- (iii) The bidding capacity of the agency should be equal to, or more than the estimated cost of the work put to bid. The bidding capacity shall be worked out by the following formula:

**Bidding Capacity** = {[ A x N x 1.5] – B} Where,

A = Maximum turnover in construction works executed in any one year during the last Seven years taking into account the completed as well as works in progress. The value of completed works shall be brought to the current costing level by enhancing at a simple rate of 7% per annum.

N = Number of years prescribed for completion of work for which bids have been invited.

B = Value of existing commitments and ongoing works to be completed during the period of completion of work for which bids have been invited.

- (iv) The applicant should have adequate organizational structure with qualified Senior Architects, Structural Engineer, Planning, Electrical, Civil, Environmental Engineers, Specialists and other technical officers and staff along with associates / consultants, if any, to execute a work of such nature and magnitude. The firm can also have tie-ups with Architectural firms having requisite expertise and experience in designing similar projects.

The applicant should have a **Structural Engineer, knowledge of the latest structural design software & adequate knowledge about green building concepts** and should provide credentials of their in- house or outsourced green building consultant. In case the green building agency is outsourced, proof of association with the consultant to be submitted.

- (v) The firm should not have incurred any loss (profit after tax should be positive) in more than two years during last five consecutive balance sheets ending 31st March 2026 duly certified and audited by

the Chartered Accountant (Scanned copy of certificate from CA with UDIN to be uploaded)

- (vi) The bidder should have an average annual financial turnover of 30% of the estimated cost during the last three consecutive financial years ending 31st March 2026.
- (vii) The bidder must submit the provisional balance sheet for the financial year 2024-2025 or latest along with the duly filled 26 AS form.
- (viii) The bidder should submit a solvency certificate of 30% of the estimated cost from any Nationalized Bank in India. (FORM 'B2')
- (ix) The bidder should submit Net worth certificate in prescribed format and /or banker's certificate from a commercial/ scheduled bank in the standard format certified by CA.

#### **B. Other Information:**

- I. The bidder should not have been blacklisted/debarred by State Bank of India/Central Government/State Government /PSU, from participating in the tender and if the blacklisting/debarment subsists on the due date of bid submission, such bidder shall not be eligible to submit the bid. (Refer Office Memorandum No. F.1/20/2018-PPD dated 2<sup>nd</sup> November, 2021 of Department of Expenditure Ministry of Finance, Procurement Policy Division, GOI, Guidelines on Debarment of firms from Bidding)
- II. The bidder should submit a declaration that eligible works(s) as mentioned in eligibility criteria has/have not been executed through another contractor on a back-to-back basis.
- III. The bidder shall submit the affidavit on a Rs.500/- non judicial stamp paper duly notarized, to this effect, as per prescribed format (Form "I"). The performance of the bidder for the completed works shall be rated by the Client as satisfactory or above.
- IV. Those who had done work/doing work in SBI shall produce completion/ progress certificate from the premises department. The bidder shall be considered for further evaluation only if the performance of the bidder for the work is rated as 'good or above'. This is mandatory.
  - i. The bidders who have initiated litigation against SBI shall be considered only after the litigation process is completed.
  - ii. The works completed/being executed by the bidders if required will be inspected by a technical officer /expert authorized by SBI. If it is found after inspection that the performance of the bidder for the inspected works is not satisfactory in terms of quality/ time overrun/overall performance etc., the bidder may get disqualified after due verification even though the documents submitted by them will meet the other eligibility criteria as above.
  - iii. The bidder shall have GST registration. A copy of the GST registration shall be submitted.
  - iv. **GST** registration Certificate of the state in which the work is to be taken up, if already obtained by the bidder, is also to be submitted. If the bidder has not obtained GST registration in the State in which the work is to be taken up or as required by GST authorities, then in such case the bidder shall scan and upload the following undertaking in their letterhead along with other bid documents. "If work is awarded to me, I/we shall obtain GST registration Certificate of the State, in which work is to be taken up within one month from the date of receipt of award letter or before release of any payment by Client / Funding Agency, whichever is earlier, failing which I/We shall be responsible for any delay in payments which will be due towards me/us on a/c of the work executed and/or any action taken by Client Funding Agency or GST department in this regard."
  - v. The bidder shall have ESI/ EPF registration. The copy of valid ESI/EPF registration shall be submitted.

- vi. The bidder shall submit an affidavit that 'The work if awarded to us, subcontractors will be employed only for specialized works after getting the concurrence of PMC/BANK as per prescribed format (Form "N").
- vii. The bidder shall submit hard copies of the Power of Attorney and Earnest Money Deposit (EMD) within the stipulated date and time for submission of tender. Without submission of EMD in hard copy, the bidder will not be considered eligible for the work and their application will not be considered.
- viii. The Bidder shall submit within 45 days after award of work an undertaking from the OEMs for specialized E&M works of Lifts & DG Sets etc. that "OEM shall unconditionally support the lowest tenderer technically throughout the execution of contract as well as for Maintenance Contract for the useful life of the system, and they shall also provide all the spares required for healthy functioning of the equipment for at least Seven years from the date of supply of equipment". This undertaking is to be given in Form-O.
- ix. Specialized Civil, Electrical & Mechanical works:  
The bidder/associated electrical contractor should possess a valid Electrical contract license issued by the Department of Industries, Energy and labor, Government of Maharashtra in their name. In case the tenderer does not have the license, they must associate himself with agencies of the appropriate eligibility and having valid license issued by the Government of Maharashtra or appropriate authority, applicable for Maharashtra state (Wherever Applicable) for each of the specialized nature of items/work of E&M. Such works shall be executed only through the said associated agencies specialized in these respective field(s). The tenderer whose tender is accepted shall indicate the name(s) of his associated specialized agencies those fulfilling the eligibility criteria laid down for E&M works after award of work and at least 30 days before commencement of such items / work but within 90 days of award of work with their credentials whichever is earlier for the approval of the SBI/ PMC of that component, whose decision shall be final and binding.
- x. The bidders shall submit along with the bid a declaration as per FORM-J of this document duly signed by authorized representative of bidder after site visit. This is mandatory. Bids submitted without FORM-J duly signed by nominated representative of Client and PMC and bidder will be summarily rejected and will not be considered for evaluation.
- xi. Site Visit: The bidder is advised to visit the site of work, at his own cost, and examine it and its surroundings to himself collect all information that he considers necessary for proper assessment of the prospective assignment.
- xii. The time allowed for carrying out the work will be 24 months including the rainy season from the date of issue of LOA, in accordance with the milestones indicated in the tender documents.
- xiii. Any bidder from a country which shares a land with India will be eligible to bid in any procurement weather of goods, services (including consultancy services / non consultancy services) or works (including turnkey projects) only if the bidder is registered with the Competent Authority (as per OM dated 23.07.2020 issued by Ministry of Finance).

#### **C. SITE CONDITIONS**

- 1. The site for the work is available.
- 2. As the proposed site is located near an operational office, residential apartments labour camps etc, the contractor shall take special care to avoid any disturbance to the functioning of both the office and residential areas.
- 3. The Contractor shall settle labor problems if any occurred at site during the construction stage.

#### **D. OTHER TERMS AND CONDITIONS**

- 1. The bid documents consisting of plans, specifications, design basis report and the set of terms

- and conditions of the contract to be complied with and other necessary documents is available online free of cost.
2. The bidder shall have In-house design capabilities to provide the required services as per the scope of work. The bidder, within 15 days of award of work, shall submit details of such in-house design capabilities or details of the design consultant proposed to be engaged by the bidder along with requisite credentials.
  3. The bid documents consisting of Notice Inviting Tenders (NIT) & Instructions to Bidders (ITB)(PART-A), General Conditions of Contract & Pre-Contract Integrity Pact (PART-B), Special Conditions of Contract(PART-C), Design Basis Report(PART-D), Technical Specifications(PART-E), Tender Drawings in PDF Format(PART-F), Financial Bid (PART-G) and other necessary documents (if any) are available online at <https://sbi.co.in/web/sbi-in-the-news/procurement-news> in the procurement news section.
  4. The bid submitted shall become invalid if:
    - 4.1 The bidder is found ineligible.
    - 4.2 If any discrepancy is noticed in the documents as uploaded at the time of submission of bid.
  5. The Technical bid and Financial bid shall be submitted as per the stipulated date & time of submission of bid.
  6. The Contractor, whose tender is accepted, will be required to furnish Initial Security Deposit 2% (Two Percent) of the tendered amount within the period specified in "Schedule F" in form of Bank Guarantee or DD of any Nationalized bank based in India, in favour of "State Bank of India" as per "Form K". Initial Security Deposit to be valid up to Six months beyond the stipulated date of project completion or the extended period, thereof.
  7. In case the contractor fails to deposit the said Initial Security Deposit within the period, including the extended period if any, the earnest money deposited by the contractor shall be forfeited automatically without any notice to the contractor.
  8. The Contractor whose Tender is accepted will also be required to furnish either copy of applicable licenses/ registration or proof of applying for obtaining labour licenses, as per central labour laws registration with EPFO, ESIC and BOCW welfare board and programme chart (time and progress) and manpower deployment schedule within the period specified in "Schedule F".
  9. Evaluation of performance:  
Evaluation of the performance of contractors for eligibility shall be done by the PMC/SBI. If required, the works being executed by the bidders who otherwise qualify will be inspected by a Technical Officer / Expert authorized by the Client. If it is found that the performance of the bidder for the inspected works is not satisfactory in terms of quality/ time overrun/overall performance etc, the bidder may get disqualified even though the documents submitted by them will meet the eligibility criteria as laid down.
  10. Tenderers are instructed to compulsorily inspect and examine the site and its surroundings at their own cost and satisfy themselves before submitting their tenders as to the nature of the ground and sub soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. The bidder shall be responsible for arranging and maintaining at its own cost all materials, tools & plants, water, electricity, access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a bidder implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications

of the work to be done and local conditions and other factors having a bearing on the execution of the work. The bidders shall submit along with the bid a declaration as per FORM-J of this document after site visit. This is mandatory. Clients shall not be liable for such costs, regardless of the outcome of the selection process.

11. The Competent Authority of the SBI does not bind itself to accept the lowest or any other tender and reserves for itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed conditions are not fulfilled or any condition including that of conditional rebate is put forth by the bidder shall be summarily rejected.
12. Canvassing, whether directly or indirectly, in connection with tenders is strictly prohibited, and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
13. The competent authority of SBI reserves to himself the right to accept the whole or any part of the tender and the bidder shall be bound to perform the same at the rate quoted.
14. The contractor shall not be permitted to tender works if his near relative is a Gazette officer in Client or in the Managerial cadres of SBI and is directly dealing with the Project. Any breach of this condition by the contractor would disqualify him from participation and consideration in the tender process.
15. No Engineer of Gazette rank or other Gazette officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the prior permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
16. The Tender for the works shall remain open for acceptance for a period of 180 (ONE HUNDRED AND EIGHTY) days from the LAST date of submission of bid or any extension thereto. If any bidder withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the SBI, then the SBI shall, without prejudice to any other right or remedy, be at liberty to forfeit 100% of the said earnest money as aforesaid. Further, the bidder shall not be allowed to participate in the re-tendering process of the work.
17. This is a Time Bound Rapid Construction Project.
18. The scope of the work shall be as per section III of this document. The Bidder must cooperate with the other agencies working at the site.
19. The Scope of work envisages a number of specialized Civil/ Electrical/ Mechanical/IT/ Electronic Engineering services as required, etc. to be executed as an integral part of this Contract. However, in case the Bidder does not have in house capacity for execution of such component(s) of work and intends to engage outside agency for execution, the bidder shall ensure that such specialized agencies in each case meet the eligibility criteria as follows. The EPC contractor shall submit to the PMC/Authority Engineer in charge for approval, the capability of the specialized agencies proposed to be engaged by him who fulfills the conditions mentioned below before execution of such works:
  - a) Any other specialized works specified in Tender.
  - b) For all other specialized works, for which the contractor intends to engage with a specialized

- agency for execution of work, the Contractor shall take approval of the SBI / PMC before the assignment of such agency.
- c) The bidder shall submit an undertaking as per 'Form-O' on Rs. 500/- stamp paper. The EPC Contractor shall be permitted to submit Form 'O' up to one month prior to the finalization of the specialized agency.

**20. Sub-contracting:** The works contract may provide for the contractor to get specified works executed from sub-contractors included in the pre-qualification application or later agreed to by the Procuring entity, with a caveat that the responsibility for all sub-contract work rests with the prime Contractor. Sub-contracting will generally be for specialized items of work as per the direction of SBI/PMC. Procurement of material, hire of equipment or engagement of labor will not mean sub-contracting. The total value of subcontracting work will not exceed the percentage of the contract price as specified in the contract say 49% (Forty-nine percent). Sub-contracting by the contractor without the approval of the SBI/PMC shall be a breach of contract, unless explicitly permitted in the contract.

### **Eligibility Criteria for Association of Specialized firms for E&M Services**

- 1.1 The estimated cost of various Electrical and Mechanical Services with Prequalification Criteria and the definition of Similar Work, where required, are given below, the firm should have executed & successfully completed following similar works during last 7 years ending 30<sup>th</sup> September 2025.

#### **1.1.1 Lifts and Home Elevators (Lifts):**

- a) Estimated cost: 4.32 Crores.
- b) Pre-Qualification Criteria:
  - Three similar works each of value not less than Rs. 1.73 Crores.
  - OR
  - Two similar works each of value not less than Rs. 2.20 Crores.
  - OR
  - One similar work of value not less than Rs. 3.48 Crores.
- b) Should have a valid electrical contractor license for taking up Liftworks in Maharashtra state.
- c) Should have PWD sanction order for the Prequalification criteria listed works.
- d) Similar works shall mean "Supply, Installation, testing & commissioning of Lifts serving at least 15 floors".
- e) Lifts shall be got installed by the Lift manufacturer (OEMs) only.
- f) The following conditions (issued vide DG/SE(E)/PPP-MII Order/22 dated 28.09.2020) shall be satisfied:
  - (a) The lift manufacturer shall comply with BIS standards, duly certified by the manufacturer itself.
  - (b) The manufacturer shall be compliant to the Public Procurement (Preference to Make In India), Order 2017 (as amended from time to time) issued by the Department of Industrial Policy and Promotion (DIPP), Ministry of Commerce and Industry.
  - (c) The manufacturer shall furnish an undertaking regarding availability of spares for the entire expected life of the lift i.e. 15 to 20 years.
  - (d) The complete lift installation including its components, safety devices, various types of controls etc., testing, inspection, operation & maintenance shall conform to relevant Codes, Standards, code of practices, guidelines, safety rules, inspection manual(s), rules issued by Bureau of Indian Standards, as amended up to the last date of receipt of tenders.
  - (e) Quality standards shall conform to latest IS/ISO- 9001:2015.
  - (f) The down time of installed lifts being maintained by the manufacturer shall not be more than 8 hours (average) in case of minor faults and 7 days (average) in case of major faults during the last one financial year.

#### **1.1.2 Sub-Station (SStn):**

- a) Estimated cost - Rs. 4.15 Crores.

- b) Prequalification Criteria:  
Three similar works each of value not less than Rs. 1.66 Crores.  
OR  
Two similar works each of value not less than Rs. 2.10 Crores.  
OR  
One similar work of value not less than Rs. 3.32 Crores.
- c) Should have a valid electrical contractor license of appropriate class for taking up electrical works in Maharashtra state issued by competent authority.
- d) Should have a valid PWD/Electrical Inspectorate and DISCOM approval for PREQUALIFICATION criteria stated works.
- e) Similar works shall mean "Supply, Installation, testing & commissioning of Sub-Station with minimum capacity of individual transformer not less than 1600 KVA".

#### 1.1.3 Fire Fighting System (FFS):

- a) Estimated cost – 6.32 Crores.
- b) PREQUALIFICATION Criteria:  
Three similar works each of value not less than Rs 2.53 Crores.  
OR  
Two similar works each of value not less than Rs. 3.20 Crores.  
OR  
One similar work of value not less than Rs. 5.06 Crores.
- c) Should have a valid electrical license for taking up Fire Fighting works in Maharashtra state issued by competent authority.
- d) Similar works shall mean "Supply, Installation, testing & commissioning of water based wet riser and sprinkler system work in high rise building not less than 15 storeys".

#### 1.1.4 Intelligent Addressable Fire Alarm System with integrated Public Address System:

- a) Estimated cost - Rs. 2.75 Crores.
- b) PREQUALIFICATION Criteria:  
Three similar works each of value not less than Rs.1.10 Crores.  
OR  
Two similar works each of value not less than Rs.1.40 Crores.  
OR  
One similar work of value not less than Rs. 2.20 Crores.
- c) Similar works shall mean "Supply, Installation, testing & commissioning of intelligent automatic fire alarm system work in high rise building of not less than 15 storeys".

#### 1.1.5 Sewerage treatment plant (STP):

- a) Approx. Cost - Rs. 0.98 Crores. (Excluding civil cost)
- b) PREQUALIFICATION Criteria:  
Three similar works each of value not less than Rs. 0.39 Crores.  
OR  
Two similar works each of value not less than Rs. 0.49 Crores.  
OR  
One similar work of value not less than Rs. 0.78 Crores.
- c) Should have a valid electrical license for taking up electrical works in Maharashtra state issued by competent authority.
- d) Similar works shall mean "Supply, Installation, testing & commissioning of STP plant of at least 150 KLD".

#### 1.1.6 Solar Power Plant:

- a) Approx. Cost - Rs. 1.75 Crores. (Excluding civil cost)
- b) PREQUALIFICATION Criteria:

Three similar works each of value not less than Rs. 0.70 Crores.

OR

Two similar works each of value not less than Rs. 0.90 Crores.

OR

One similar work of value not less than Rs. 1.40 Crores.

- c) Should have a valid license for taking up Solar plant works in Maharashtra state issued by competent authority.
- d) Similar works shall mean "Supply, Installation, testing & commissioning of Solar plant of at least 300 kWp".

#### 1.1.7 **Roof top Solar Water Heating System:**

- a) Approx. Cost - Rs. 1.44 Crores. (Excluding civil cost)

- b) PREQUALIFICATION Criteria:

Three similar works each of value not less than Rs. 0.58 Crores.

OR

Two similar works each of value not less than Rs. 0.70 Crores.

OR

One similar work of value not less than Rs. 1.15 Crores.

- c) Should have a valid license for taking up Solar heating works in Maharashtra state issued by competent authority.
- d) Similar works shall mean "Supply, Installation, testing & commissioning Solar heating plant of at least 600 Liters"

#### 1.1.8 **Integrated Building Management System:**

- a) Approx. Cost - Rs. 0.78 Crores. (Excluding civil cost)

- b) PREQUALIFICATION Criteria:

Three similar works each of value not less than Rs. 0.31 Crores.

OR

Two similar works each of value not less than Rs. 0.40 Crores.

OR

One similar work of value not less than Rs. 0.62 Crores.

- c) Should have a valid license for taking up Integrated Building Management System works in Maharashtra state issued by competent authority.
- d) Similar works shall mean "Supply, Installation, testing & commissioning of Integrated Building Management System of at least 37000 Sqm"

#### 1.1.9 **Diesel Generator sets:**

- a) Approx. Cost - Rs. 2.27 Crores. (Excluding civil cost)

- b) PREQUALIFICATION Criteria:

Three similar works each of value not less than Rs. 0.90 Crores.

OR

Two similar works each of value not less than Rs. 1.10 Crores.

OR

One similar work of value not less than Rs. 1.82 Crores.

- c) Should have a valid license for taking up Diesel Generator works in Maharashtra state issued by competent authority.
- d) Similar works shall mean "Supply, Installation, testing & commissioning of Diesel Generator System of at least 1800 KVA"

#### 1.1.10 **EV Charging Stations:**

- a) Approx. Cost - Rs. 2.27 Crores. (Excluding civil cost)

- b) PREQUALIFICATION Criteria:

Three similar works each of value not less than Rs. 0.50 Crores.

OR

Two similar works each of value not less than Rs. 0.60 Crores.

OR

One similar work of value not less than Rs. 1.00 Crores.

- c) Should have a valid license for taking up EV Charging Stations works in Maharashtra state issued by competent authority.
- d) Similar works shall mean "Supply, Installation, testing & commissioning of EV Charging Stations of at least 0.50 Crores"

#### 1.1.11 Water Treatment Plant:

- a) Approx. Cost - Rs. 0.65 Crores. (Excluding civil cost)

Three similar works each of value not less than Rs. 0.26 Crores.

OR

Two similar works each of value not less than Rs. 0.30 Crores.

OR

One similar work of value not less than Rs. 0.52 Crores.

- b) Should have a valid license for taking up Water Treatment Plant works in Maharashtra state issued by competent authority.
- c) Similar works shall mean "Supply, Installation, testing & commissioning of Water Treatment Plant works of at least 250 KLD"

#### 1.1.12 CCTV Systems:

- a) Approx. Cost - Rs. 0.14 Crores. (Excluding civil cost)

Three similar works each of value not less than Rs. 0.06 Crores.

OR

Two similar works each of value not less than Rs. 0.07 Crores.

OR

One similar work of value not less than Rs. 0.11 Crores.

- b) Should have a valid license for taking up CCTV Systems works in Maharashtra state issued by competent authority.
- c) Similar works shall mean "Supply, Installation, testing & commissioning of CCTV Systems works of at least 6600 Sqm"

20. **Registration/ License:** The bidder should have their registration for GST, PF, ESIC, Building Cess Registration etc. (whichever is applicable), with the appropriate Authorities. In case the firm is not registered at the time of submission of bid, they will submit an undertaking that they will get themselves registered with the concerned authorities in case they are awarded the work.
21. The Contractor/firm will indemnify SBI, as the case may be, against all penal action that may be levied/effectuated by any concerned authority for default in any labour regulation/PF/ESI and other statutory requirements of the relevant Acts/Laws related to the work of the contractor and will bear the legal charges, if any, and will pay the legal charges/dues directly to the concerned authority. An undertaking in this regard is required to be submitted by applicants along with Prequalification.
22. This Notice Inviting bid shall form a part of the contract document. 23. **Bid document consists of:**
  - i. PART A - (Notice Inviting Tenders (NIT) & Instructions to Bidders (ITB))
  - ii. PART B - (General Conditions of Contract)

- iii. PART C - (Specific Conditions of Contract)
  - iv. PART D - (Design Basis Report)
  - v. PART E - (Technical Specifications)
  - vi. PART F - (Tender Drawings)
  - vii. PART G - (Financial Bid)
  - viii. All amendments(s)/ corrigendum, minutes of pre bid meeting, if any.
24. SBI reserves the right to accept or reject any or all the tenders without assigning any reason, No Bidder shall have any cause of action or claim against the SBI for rejection of his tender.
25. Payments to the selected EPC Contractor will be made directly through SBI through bank transfer.

**26. Completion Period:**

The total time allowed for carrying out the works will be as mentioned in **NIT** above from the date of start as defined in Schedule 'F'.

**27. Pre-bid Meeting:**

Pre-bid meeting shall be held with the eligible and intending bidders in State Bank of India Premises & Estate Department, Local Head Office, Maharashtra Circle, 'Spandan', 15th Floor, Plot No. 3/2 & AM-3, M.I.D.C., Kharadi Knowledge Park, Thite Nagar, Pune – 411014.

The bidders having queries/clarification regarding the tender can submit their queries at mentioned in Notice Inviting Bid. The pre bid meeting will be held as per the details mentioned in Section – I (Notice Inviting Tender). No other queries shall be entertained or replied to, after the date of submission of queries. SBI' response (including an explanation on the query but without identifying the source of the inquiry) will be uploaded on website of SBI [www.sbi.co.in/tenders/](http://www.sbi.co.in/tenders/) and SBI portal <https://sbi.co.in/web/sbi-in-the-news/procurement-news> and [www.tenderwizard.com/SBIETENDER](http://www.tenderwizard.com/SBIETENDER) for clarifications.

Contractor requiring any clarification with regards to the BID document may utilize the forum of pre-bid to submit queries/clarification regarding the tender can submit their queries at an Email: [agmpe.lhomah@sbi.co.in](mailto:agmpe.lhomah@sbi.co.in) SBI will respond to any request for clarification which is received within date specified in the NIT. The response (including an explanation on the query but without identifying the source of the inquiry) will be uploaded in the [www.sbi.co.in/](http://www.sbi.co.in/) SBI in the News procurement news portal. Only written communication/ clarification can be considered valid.

Based on Prebid meeting, addendum / Corrigendum if any will be issued and the same shall form a part of the tender document.

**Guidelines / Procedure to be followed in introduction on procurement Solution**

1. **Submission of Bids:** The bidders who are desirous of participating in tenders shall submit the technical bids at [www.tenderwizard.com/SBIETENDER](http://www.tenderwizard.com/SBIETENDER) through online on or before the last date of tender submission.

**Price Bid: Price bid to be submitted through online only in [www.tenderwizard.com/SBIETENDER](http://www.tenderwizard.com/SBIETENDER).**

2. **Payment of Bid Security (Earnest Money Deposit):** - The EMD shall be in the form of Banker's Cheque or Demand Draft of any Nationalized Bank in favor of Assistant General Manager (P&E), State Bank of India Premises & Estate Department, Local Head Office, Maharashtra Circle, 'Spandan', 15th Floor, Plot No. 3/2 & AM-3, M.I.D.C., Kharadi Knowledge Park, Thite Nagar, Pune - 411014.

*Please note that scanned copy of the EMD shall be uploaded in the online technical bid as well as the original hard copy shall be submitted to the above address, before the last date of submission of the bid, failing which the bid shall be treated as invalid due to non-receipt of original EMD.*

3. **Processing of Tenders:** -The concerned officer/officers will evaluate and process the tenders as done in the conventional tenders.
4. **Price Bid opening:** - The Price Bid of the eligible EPC Contractor will be opened by the Tender opening committee on the specified date and time.
5. **Participation of Bidders at the time of opening bids:** Bidders are required to participate in the tendering process at the time of bid opening. They may attend the bid opening in person at the designated venue.
6. **Signing of agreement:** - After the award of the contract, an agreement may be signed as done in Conventional Tenders.

**1. General Information:**

- 1.1 Letter of transmittal and forms for deciding eligibility are given in Section V.
- 1.2 All the information called for in the enclosed forms should be furnished against the relevant columns in the forms. If for any reason, information is furnished on a separate sheet, this fact should be mentioned in the relevant column. Even if no information is to be provided in a column, a 'nil' or 'no such case' entry should be made in that column. If any particulars/query is not applicable in the case of the bidder, it should be stated as 'Not applicable'. The bidders are cautioned that not giving complete information called for in the application forms or not giving it in clear terms or making any change in the prescribed forms (or) deliberately suppressing the information may result in the bid being summarily disqualified. Bids made by telegram or telex and those received late will not be entertained.
- 1.3 The bid should be type written. The bidder should sign each page of application, forms and documents before submitting the tenders.
- 1.4 References, information and certificate from the respective clients certifying suitability, technical knowledge or capability of the bidder should be signed by a respective department officer not below the rank of Executive Engineer or equivalent.
- 1.5 The bidder may furnish any additional information, which he thinks is necessary to establish his capabilities to successfully complete the envisaged work. He is, however, advised not to furnish superfluous information.

- 1.6 No information/documents shall be entertained after submission of bid unless it is demanded by the Employer. No fresh/revised mandatory document is permitted at this stage. Bank/PMC have rights to reject based on deficiency in desired documents.
- 1.7 If the works executed under Public Limited (listed) companies are shown in support of eligibility, certified copy of the tax deducted at source certificate (TDS) shall be submitted along with the experience certificate and the TDS amount shall tally with the actual amount of work done.

## 2. **Definitions:**

- 2.1 In this document the following words and expressions have their meaning here by assigned to them.
- 2.2 **Client/ Employer:** SBI/ Bank
- 2.3 **SBI** – Shall means State Bank of India (client) a body Corporate created under State Bank of India Act 1995, having its corporate centre at State Bank Bhavan, Madame Cama Road, Mumbai 400021 and LHO Maharashtra having its office at Pune and includes the client's representatives, successors and assigns.

**6.0 Site Visit:**

The bidder is advised to visit the site of work, at his own cost, and examine it and its surroundings to himself collect all information that he considers necessary for proper assessment of the prospective assignment.

**7.0 Financial Information:**

Bidder should furnish the following financial information:

Annual financial statement for the last Five years in Form 'A'. This should be supported by audited balance sheets and profit and loss accounts duly certified by a Chartered Accountant as submitted by the applicant to the income tax department.

Bankers Certificate Issued by Nationalized Bank in Form OR Net worth Certificate issued by CA in Form B-1

**8.0 Organization Information:**

Bidder is required to submit the information in respect of its organization in Form 'E'

The Bidder should furnish the list of construction plants and equipment required to be used in carrying out the work.

### SECTION – 3

#### Earnest Money Deposit (Bid Security)

##### 1. **EMD – Earnest Money Deposit:**

- a) The earnest money amount in the form of Account Payee, Demand Draft or Banker's Cheque shall be scanned and uploaded to the Tendering website within the period of bids submissions and original should be deposited in the office of **The Assistant General Manager (P&E), State Bank of India** Premises & Estate Department, Local Head Office, Maharashtra Circle, 'Spandan', 15th Floor, Plot No. 3/2 & AM-3, M.I.D.C., Kharadi Knowledge Park, Thite Nagar, Pune - 411014 before the last Date & Time for submission of Bids.
- b) The Bid securities of unsuccessful Bidders shall be discharged/ returned after expiry of the final bid validity and latest on or before the 30<sup>th</sup> day after the award of contract.
- c) The EMD shall be forfeited if a bidder withdraws his bid during the period of bid validity or in the case of the successful bidder, if he fails to furnish the necessary performance security or enter into the Contract within the specified time limit.
- d) The EMD of the successful bidder shall be returned after receipt of **the Initial Security Deposit (ISD)**.
- e) EMD (Form G) in original as per the required forms should be submitted in the envelope and marked clearly as Envelope No: 1 "**EMD**".

##### 2. **Forfeiture of Earnest Money:**

- I. If any tenderer withdraws his tender or makes any modification in the terms and conditions of the Tender which is not acceptable to the department after expiry of seven days after last date of submission of bids, then the Bank shall without prejudice to any other right or remedy, be at liberty to forfeit 100% of the Earnest money absolutely irrespective of letter of acceptance for the work is issued or not.
- II. If the Contractor fails to furnish the prescribed Initial security deposit within the prescribed period, the earnest money is absolutely forfeited with SBI automatically without any notice. In case of forfeiture of Earnest money as prescribed in Para (i), (ii) and (iii) above, the bidders shall not be allowed to participate in the rebidding process of the same work.

## SECTION -4

### Brief description of work

The State Bank of India (SBI), India's largest public sector bank and a premier financial institution, proposes to develop Commercial & Residential Outfits on a strategically located parcel of land that has been specifically earmarked for this purpose. The site is ideally suited for the development of office infrastructure, enabling the creation of a comprehensive and integrated campus to support SBI's long- term operational and organizational needs.

The scope of work involves the Planning, Designing and Construction on EPC Mode of Commercial and Residential Outfits with IGBC Platinum certification including obtaining statutory approvals for the State Bank of India, LHO Maharashtra at Pune. The development shall feature an RCC framed structure and Monolithic Structure include all associated miscellaneous works, such as site development, bulk services, and to make the premises fully fit for occupation (services including electrical, firefighting, lifts, Solar system, etc.).

The project shall be executed on an Engineering, Procurement, and Construction (EPC) basis, adopting rapid construction technologies to ensure timely delivery without compromising quality or safety standards.

The responsibility of investigations, MEP, Architectural drawing, planning, designing, procurement, construction, statutory approvals, safety, quality and risk of engineering lies completely with the agency.

The cost of labour, material, tools and plants, machinery required for execution of the whole project as per Layout plan & approved drawings, specifications etc. is within the scope of this work.

The layout plan and conceptual Architectural plans of buildings are provided by the Bank/PMC in this bid document. In case of any deviation from the approved drawings, the same shall be regulated as per Clause 12 of the General Conditions of the Contract.

The details of buildings, approximate area, and particulars are indicated in the table below.

| Type of Building                                           | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Approx. Built-up Area (Sq. Ft.) | Stilt / Ground        | Floors    |
|------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|-----------------------|-----------|

**Note: The areas shown are indicative only, and EPC Contractor can make minor changes while making detailed working drawings in consultation with PMC/ SBI. The contractor is advised to calculate the area based on the drawings.**

#### **Calculation of Plinth area**

For calculation of plinth area, rules for working out the plinth area from plans as given in the **Annexure V of CPWD PAR 2025** available in CPWD website, shall be followed. Specifications mentioned in **CPWD PAR 2025** with up-to-date correction/amendment for relevant building types will have to be adhered to unless specified otherwise.

#### **Mode of measurement**

- 1) Measurement will be done on the basis of the actual plinth area constructed.
- 2) Plinth area calculation norms as mentioned in Annexure – V of CPWD PAR 2025.

#### **General scope of works:**

1. The work shall be executed on (Engineering, Procurement & Construction) EPC basis including getting all local body clearances as per operational building requirement, carrying out geotechnical investigation, Structural design & drawings, construction and commissioning of buildings & services, obtaining completion certificate and handing over in accordance with approved layout plan and architectural / structural drawings. The layout plan, architectural drawings are provided in the tender document. The contractor to arrange vetting of structural drawings/design from reputed Engineering Institutions like IITs within the project.
2. EPC Contractors have to obtain mandatory pre and post construction approvals from local bodies / Statutory authorities required for commencing the work including occupancy certificate from the local bodies / authorities. The EPC Contractor shall take the general drawings as a reference and develop detailed designs/drawings/MEP drawings suitably by coordinating with all the specialized agencies engaged by them for making the buildings and campus functional and aesthetically appealing. The Bank/PMC may suggest changes within the given scope for accommodating future needs which have to be carried out by the EPC contractor as part of the scope of the work. Any changes, modifications, revision etc. required to be done by PMC/BANK, Environmental Clearance (EC), Fire safety authorities, Local bodies, proof consultant etc. will have to be arranged by the EPC contractor.
3. The bidder has to include cost of services of engaging consultant(s) towards preparation of necessary Architectural/Structural/Service drawings, GRIHA /LEED/IGBC Consultant, obtaining mandatory pre and post construction approvals from local bodies /authorities required for commencing the work including occupancy certificate from the local bodies / authorities and nothing extra shall be payable on this account. The buildings are to be planned and designed in such a way that they derive maximum benefit of the natural resources like sun, wind, etc. The building should be ECSBC (Issued by Bureau of Energy Efficiency, Ministry of Power, Govt. Of India) compliant.
4. Prepare all GFC drawings relevant to the construction (based on the approved drawings including modifications etc. if any) including structural and service drawings, retaining walls etc. for all Civil, E&M works involved in the scope and obtain the approval of the SBI/PMC. Any changes, modifications, revision etc. required to be done by PMC/ SBI, CFO, Local bodies, proof consultant etc. will have to be arranged by the EPC Contractor & nothing extra shall be payable.

5. The EPC Contractor shall construct the Buildings, Development and Bulk services as per the Approved drawings. The work in general is to be executed on the basis of the Approved Architectural, Structural & Service drawings and as per the schedule of finishes mentioned, by following the other conditions of bid document, CPWD Specifications, relevant IS codes, National Building Construction Code 2026, LEED/ GRIHA/IGBC, CPWD norms, ECSBC Norms, CPWD hand book on barrier free and accessibility, CPWD manual on Accessible Built environment 2019 and other standard specifications shall be followed in general except otherwise mentioned in bid document. Samples of the materials of preferred make or otherwise shall be approved from the Bank/PMC before use in the work. The above scope of work includes cost of all materials, manpower, equipment, T&P, fixtures, accessories, royalties, taxes (and all other Taxes/levies), watch & ward and all other essential elements for completion and maintenance of works whatsoever as already stated.
6. On Completion of Work, EPC Contractor shall get required post-construction permissions from the local body, Fire department and other statutory authorities whose permission is required after completion of the construction including completion/occupancy certificate required to complete the building in all respects to make it habitable and ready for occupation and submit a copy of such approvals/certificates to the Bank/PMC. (The statutory fees required shall be reimbursed by the BANK upon submission of the receipts, but other expenses towards obtaining the statutory approvals /permission shall be borne by the EPC contractor).
7. The contractor may work out his rates considering all the leads, lifts, material transportation including head loads, less output of labor etc. involved in execution, if any, and quote his rates accordingly. No claims on account of difficult terrain conditions or contour difference etc. shall be entertained later on, and nothing extra shall be payable on this account.
8. Necessary detailed survey and soil investigation has to be carried out by the successful bidder for co-relating data and results. Any improvement in bearing capacity of soil/variation in soil strata properties, if required as per the soil investigation results, will also be within the scope of this bid. Successful bidders shall also arrange to get the Final results vetted by the reputed Engineering Institutions like IITs, NITs, Central/State government Institutes and approved by PMC/ SBI before the same are used in structural design purposes. No claim about the change in site condition or soil strata/bearing capacity shall be entertained in future. No claim whatsoever will be entertained in the future in this regard.
9. The work shall be carried out in accordance with true intent and meaning of the specifications and the drawings read together, regardless of whether the same may or may not be particularly shown on the drawings and / or described in the specifications, provided that the same can be reasonably inferred there from.
10. In case specifications of some of items are not explicitly mentioned in the bid documents, the same shall be adopted as given in the CPWD Specifications, NBCS-2026, BIS Codes or according to sound engineering practices so as to make the building and services fully functional. No claim whatsoever shall be entertained on this account. The decision of Bank/PMC will be full & final and binding to the EPC contractor.
11. The cost of labor, material, tools and plants and machinery required for execution of the whole project as per approved Layout plan& detailed design and drawings to be approved, specifications etc. is within the scope of this work.
12. The EPC contractor is required to connect all the external services like Water Supply, Sewerage, Drainage, Electric Supply, LAN/WAN, Telephone Lines, Gas pipe line etc. to the main lines of the authorized service providers of local bodies or any other agency (along with statutory approvals) and this shall be considered as integral part of scope of work and such cost shall be included in the

price quoted by the EPC contractor.

13. The agency shall be responsible for the safety and watch & ward of fittings and fixtures provided and installed by it in all buildings against pilferage and breakage during the period of installations and thereafter till the building is physically handed over to the Bank. No extra payment shall be made on this account.
14. Electricity, water and other services  
The Contractor shall be responsible for procuring all power, water and other services that it may require for the construction from PMC/PCMC/MIDC / PMRDA for which all charges shall be borne by EPC contractor. The contractor shall make sufficient arrangements for draining away the surface and sewage water as well as water from the bathing and washing places and shall dispose of his wastewater in such a way as not to cause any nuisance.
15. The Bidder shall note that No Objection Certificate (NOC) / permissions from the concerned Metro Rail Authority and any other statutory bodies, as applicable, shall be required prior to commencement of construction activities.

#### **Building Information Models (BIM) Modeling:**

16. The 3D Architectural Models of the project will be prepared on any BIM applications with minimum **LOD 350 and IFC format** of the same shall be made available for interoperability of building information to all stakeholders of the project.
17. The comprehensive **BIM model with minimum LOD 350** of project shall have all the architectural, structural, horticulture and MEP services elements. All the BIM Models shall be uploaded on Autodesk construction cloud Build Platform by the contractor and shared with the SBI/PMC/Engineer-in-Charge.

The scope of work includes preparing building information Models (BIM), 3D Design and coordinated drawing of entire Architectural, MEP works and entire services by use of latest Software in vogue like – Revit, AutoCAD 3D, Autodesk Civil 3D etc.

17.1 The level of detail in **BIM** to be done as under: -

- a. **LOD-350** Level corresponding to “Good for Construction” drawings to be issued to the EPC contractor for actual execution after award of work by the Authority Engineer-in- Charge.
- b. **LOD-350/400** (Fabrication& Shop drawings) EPC contractor shall submit it to the PMC/ Engineer-in-charge. These are to be verified and approved as “Good for Construction” for issue to the Contractor by the Officer-in-charge.
- c. **LOD-350/400** (As built drawings) EPC contractor shall submit after completion of execution work. These are to be checked for correctness and approved for handing over.
- d. **LOD-500** The Contractor shall develop and update the BIM model to LOD 500 in line with the actual progress of work at site.  
The model shall reflect all completed works and approved changes, and shall be used for monitoring and reporting of physical progress.
- e. EPC Contractor shall get approval of the software used for BIM from the PMC/SBI/Engineer- In-Charge.
- f. EPC Contractor shall provide **2** licenses of Autodesk construction Cloud (Build License) exclusively for the PMC/SBI team and advise the EPC contractor's design

and site team to use their own Licenses for seamless coordination of the Project.

17.2 The Basic concept drawings of various buildings enclosed in this bid has to be given due regard and this may further be developed and detailed to accommodate all services. Necessary vertical shafts or ducts if required, may be created to accommodate all kinds of services. The accessibility of shafts be ensured at every floor level for necessary maintenance. RCC Ducts/trenches are to be constructed for external services.

**18. Local body approval: -**

The following are the list of approvals (indicative only) for which the contractor is required to liaison and coordinate with local bodies, State/Central Govt. bodies, PMC/ Architect appointed by Bank for getting necessary permissions/ approvals/ NOC/ License. The statutory payments demanded either in the name of the Bank for obtaining these shall be borne by the Bank/ Employer. If this fee is paid by the contractor, the same shall be reimbursed on submission of Original Receipt.

- i. Consent to Establishment & Operate from Maharashtra Pollution Control Board.
- ii. Tree Cutting from Local authority and trees transplanting.
- iii. Obtain commencement certificate from the Municipal Corporation/ Development Authority.
- iv. Permission for Excavation including dewatering
- v. Electric substation NOC for all substation Transformers in building (Electric Service Provider)
- vi. Demarcation of plot boundaries.
- vii. Obtain Building completion certificate from the Municipal Corporation/ Development Authority
- viii. Obtaining permanent power connection from Electricity Department
- ix. Obtain permanent water connection (with inspection) (Municipal)
- x. Obtain permanent sewerage connection (Municipal)
- xi. Obtaining Provisional final NOC from Fire department
- xii. Occupancy certificate
- xiii. Lift NOC
- xiv. Fire NOC
- xv. NOC from Civil Aviation, if applicable.
- xvi. Environmental clearance
- xvii. Labour license
- xviii. Net metering connection for solar Panels and other approvals.
- xix. IGBC Platinum Certification
- xx. Any other approvals (as required)
- xxi. Approval for temporary connection of power supply, water supply etc. for construction purposes including digging of bore wells for water supply at site.
- xxii. Any other necessary requisite permission/ license.

- a) Getting all statutory / other approvals (pre-construction and post construction) from local body and other bodies as per operational building requirement shall be done by the EPC Contractor at its own cost.
- b) The EPC Contractor shall prepare any further documents as required and submit them directly to the local Statutory bodies with the approval from the client department through the officer in charge.

- c) The contractor shall at his own cost collect field data / samples and carry out all necessary surveys / Tests required for submission of necessary applications.
- d) The contractor shall comply with the observations of local bodies, modify the Lay out plan, other architectural drawings and documents, if necessary, and resubmit the proposal as required by the local bodies.
- e) The Contractor shall obtain PLATINUM rating and Net Zero- Energy rating as per "IGBC Certification"
- f) The contractor shall obtain Completion Certificate / Occupancy Certificate after completion of the project from statutory / local bodies before handing over the completed work to Client.

**The various components of the building covered in the Broad scope of work are as given below.**

| SN       | Particulars                                                                                                                                                                                                                                                      |

| IV.      | Pressurized mechanical ventilation system.                                                                                                                                                                                                                       |
| V.       | Hydro pneumatic water supply system                                                                                                                                                                                                                              |
| VI.      | (33/22/11) KV/ 0.433 KV Substation.                                                                                                                                                                                                                              |
| VII      | LAN, Wi-Fi Networking                                                                                                                                                                                                                                            |
| VIII     | CCTV                                                                                                                                                                                                                                                             |
| IX       | Access control System, Baggage scanner                                                                                                                                                                                                                           |
| <b>C</b> | <b>CIVIL EXTERNAL DEVELOPMENT AND BULK SERVICES –</b>                                                                                                                                                                                                            |
| I        | Development of Site, levelling                                                                                                                                                                                                                                   |
| II       | Earth work excavation for the approaches from both sides to the rear side of building by ramps with necessary RCC retaining walls and for disposal of hard rock and surplus earth from <b>site to the dumping grounds as per PMRDA/PMC/PCMC/MIDC</b> provisions. |
| III      | Approach roads to building and Main Roads, Internal roads (CC pavement with VDF)                                                                                                                                                                                 |
| IV       | Storm water drain, Distribution pipelines                                                                                                                                                                                                                        |
| V        | Rainwater harvesting (RWH)                                                                                                                                                                                                                                       |
| VI       | RCC Retaining wall                                                                                                                                                                                                                                               |
| VII      | Under Ground Tanks (UGT) Underground Sumps (domestic, flushing, firefighting) with Pump room.                                                                                                                                                                    |
| VIII     | STP/ETP/WTP Plant                                                                                                                                                                                                                                                |

|     |                                                        |
|-----|--------------------------------------------------------|
| IX  | Electromechanical boom barrier & Motorized Steel gates |
| X   | RCC Boundary Walls                                     |
| D   | Landscape & Horticulture works                         |
| E   | Specialized E&M Works                                  |
| I   | Roof top Solar Power Plant                             |
| II  | Access Control System                                  |
| III | Solar Water heating system                             |
| IV  | Boom Barrier                                           |
| V   | IBMS: Integrated Building Management System, etc.      |

- I. The above scope is indicative and suggestive. The EPC Contractor may have to execute all required works, if left omitted in above scope, for making the building fit for occupation and functional use by the user department.
- II. The Layout Plan, tender drawings part of this NIT are indicative only. There can be changes in the scope of work as per the requirement of the Local Body, Pune Fire Services etc. due to Building byelaws or statutory requirements. The agency shall carry out such changes during the construction phase.
- III. Construction of all Civil, Electrical, Mechanical and their integration and installation and commissioning including development of area, internal roads, street lighting, other amenities etc. as required having compliance to the relevant statutory norms, compliances; functionality and safety requirement etc. are in the scope of work.
- IV. Scope of work, Detailed specifications General Conditions, Additional and other conditions/specifications for Civil, E&M and Horticultural works have been given in detail in respective chapters & schedules of this bid document in **Part 'B', Part 'C' and Part 'D'** and same may be referred.

## 2. Defects Liability Period:

- a) Scope of work includes rectifying all defects/ repair including building and services of all Civil, Electrical & Mechanical services, and the equipment /components provided, for a **period of 24 months** after getting Occupancy Certificate from Statutory Authorities up to the Satisfaction of the PMC/SBI.
- b) During this period, the defects noticed in the work shall be rectified by the **EPC Contractor** at his own cost. In case he fails to do so after intimation to him in writing by the SBI / Engineer- in-charge, the same shall be carried out by the Department at his risk and cost. However, maintenance of other building activities such as cleaning, sweeping of pocket & de-silting of sewer lines, S.W. Drain shall be done at the time prior to handing over the building/campus.
- c) Defects of serious nature causing inconvenience such as leakage, reverse floor slopes affecting the drainage (ponding of water), warping and opening of joints in doors and window shutters etc. shall be undertaken by the **EPC contractor** immediately on receipt of the complaint but not exceeding one-week time, failing which the defects will be got rectified at his risk and cost.
- d) All other defects notified to the contractor during the DLP shall be rectified to the entire satisfaction of officer-in-Charge or item replaced as soon as possible but not later than one month in any case. Failure to do so in a reasonable period, the officer -in-Charge shall get it done at the **EPC Contractor's** cost after final notice of 10 days. The decision of the officer-in- Charge regarding a defect being of a serious nature or otherwise shall be final and binding.

### 3. Health & Safety Manual provisions

The EPC Contractor will comply of the provisions contained safety, Health and Environment health book 2019 available CPWD web site [www.cpwd.gov.in](http://www.cpwd.gov.in) failing which he / they will be liable for the penalties on each violation subject to compounding of the same to maximum of such default as mentioned in the various unsafe act / unsafe conditions in this manual. Also, EPC contractor shall follow OSH Code, 2020 regarding same and compliance with women safety provisions where women labourers are engaged.

This, apart from the other fines/ levies/ penalties, is mentioned in the documents elsewhere. It is incumbent upon the **EPC contractor** to ensure in undertaking all health and safety compliance for safety of all concern to generate safety conscious and safety regulatory as his primary statutory duties or responsibilities in the contract.

### 4. SAFETY MEASURES: Insurance Policies

Before commencing the execution of work, the Contractor shall, without in any way limiting his obligations and liabilities, insure at his own cost and expense against any damage or loss or injury, which may be caused to any person or property, at site of work.

The EPC Contractor shall obtain and submit to the PMC/SBI/Officer-in-Charge a proper Contractor All Risk (CAR) Insurance Policy for 100% of Contract amount for this work, with officer in-Charge as the first beneficiary.

The insurance shall be obtained in joint names of officer-in-Charge and the Contractor (who shall be second beneficiary). Also, he shall indemnify the SBI from any liability during the execution of the work. Further, he shall obtain and submit to the PMC/SBI/officer -in-Charge, a third-party insurance policy for minimum Rs. 10 lakhs for each accident, with the PMC/SBI/officer -in-Charge as the first beneficiary. The insurance shall be obtained in joint names of PMC/SBI/officer -in-Charge and the EPC Contractor (who shall be second beneficiary).

### 5. Specialized Civil, Electrical & Mechanical works:

The Tenderer must associate himself with agencies of the appropriate eligibility for each of the specialized nature of items/work listed in Part B, Part C & DBR. Such works shall be executed only through associated agencies specialized in these fields. The tenderer whose tender is accepted shall indicate the name(s) of his associated specialized agencies those fulfilling the eligibility criteria laid down in Part B & C after award of work and at least 30 days before commencement of such items/ but within 90 days of award of work, whichever is earlier, with their credentials for the approval of the PMC/SBI/Engineer-in-Charge of that component, whose decision shall be final and binding.

### 6. Site Development

- a) The entire plot shall be levelled according to formation levels by cutting or filling wherever necessary.
- b) Terracing wherever necessary by providing retaining walls, toe walls, necessary steps etc. is also included in the scope of work.

### 7. Rainwater harvesting Measures:

- a. The agency shall consider planning, design and construct the Rainwater harvesting system "RWH" for the best use of the building. The system shall be so designed that the rainwater collected from the building (Roof tops + other paved areas) is best utilized either by the storage or recharging the ground water table. The requirement of water for horticulture and other purposes of the campus shall primarily be met out from the best utilization of rainwater.
- b. The CPWD publication of "Rainwater harvesting and conservation manual 2019" could be referred to for compliance.

**8. Sample collection room, sample store, Testing Laboratory:**

Scope of work includes construction/providing of Equipment Sample collection room, sample store, Testing Laboratory (semi-permanent structure) with required partitions of minimum area of 50 **Sqm**. The location, specification and plan shall be approved by the SBI / Engineer-in-Charge. The EPC Contractor shall provide this facility with all required E & M services within 45 days from award of work and nothing extra shall be payable on this account. Outside testing shall be carried out by the EPC contractor within their quoted amount.

**9. Accessible India Measures (Universal Accessibility):**

- a) Planning, Designing and construction shall confirm and get Certification from:
  - (i) **Platinum** rating as per IGBC.
  - (ii) Barrier free built environment & accessible for Persons with Disabilities (RPwD) norms. (shall comply with the provisions of "Handbook on barrier free and accessibility", "CPWD manual on Accessible Built environment 2019" – copy for free download is available on [www.cpwd.in](http://www.cpwd.in) and hence copy of the same is not included in the tender document but it forms part of tender)
  - (iii) Handbook on Safety, health and environment – 2019 – copy of free download is available on [www.cpwd.in](http://www.cpwd.in) hence copy of the same is not included in the tender document but it forms part of tender).
  - (iv) As per the Rights of Persons with Disabilities (RPwD) (Amendment) Rules, 2023 and the Harmonized Guidelines and Standards for Universal Accessibility in India, 2021 issued by the Ministry of Housing and Urban Affairs (MoHUA), all the provisions relating to universal accessibility are required to be incorporated in the project.
- b) The agency shall construct the buildings considering the built environment accessibility and implement it in the buildings. All measures shall be taken to eliminate obstacles and barriers indoors and outdoors and in workplaces. An accessible building is where people with disabilities have no barrier in entering it and using all the facilities therein. This covers the built environment – services, steps and ramps, corridors, entry gates, emergency exits, lifts, parking, toilets as well as indoor and outdoor facilities including lighting, signage, alarm systems and public toilets.
- c) The CPWD publication of "Handbook on Barrier free and accessibility", "CPWD manual on accessible built environment 2019" (copy of free download is available on [www.cpwd.gov.in](http://www.cpwd.gov.in)) and MOUD guidelines published in 2016 "Harmonized Guidelines and Space Standards on Barrier Free Built Environment for persons with Disability and Elderly Persons" and requirements as per International Standard/ISO 21542 – 2011 could be referred for compliance.
- d) The **EPC Contractor** should follow norms of Barrier free built environment as per CPWD "Manual on Accessible Built Environment 2019" for persons with disability and elderly persons.
- e) The agency shall also be responsible for getting the accessibility audit (Post Audit) done to confirm from third party whether the building meets the standards.

NOTE: The EPC contractor refers to refer latest Manuals/Publication relevant for the works involved.

## SECTION – 5

### EVALUATION PROCESS

The Bids will be evaluated in the following stages:

Stage 1 - Pre-Qualification Evaluation / Technical Bid Evaluation

Stage 2 – Financial Bid Evaluation

#### Stage 1- Pre-Qualification Evaluation / Technical Bid Evaluation

During the Pre-Qualification Evaluation stage, the bidder's eligibility will be assessed based on criteria such as prior experience in design, completion of similar projects, assignments, availability of qualified technical and design teams, client certifications, proposed site development with landscape design and submission of confidential reports, where applicable.

Technical Bid Evaluation are as follows: -

- a) Notice inviting tenders & Instructions to the tenders.
- b) Earnest Money Deposit (EMD)
- c) Site Visit Report
- d) Brief Scope of work
- e) Pre-qualification and eligibility criteria.
- f) Formats and Annexures.

#### Opening of Technical Bid

The Technical Bids (Stage 1) shall be opened on the scheduled bid opening date as specified in the Notice Inviting Tender (NIT) or any subsequent corrigendum issued. As part of the technical evaluation process, all EPC bidders are required to submit a comprehensive Approach & Methodology and Construction Technology including Site Development works and Landscape designs (PPT format in a pen drive) along with the technical bid.

It is strictly instructed that no price, cost estimate, or any financial data shall be included or disclosed in any portion of the Technical Bid. The Evaluation Committee shall assess the submissions solely on the basis of technical merit, feasibility, sustainability, construction efficiency, and innovation along with submitted designs of site development including landscape designs - without any reference to financial aspects at this stage.

The date and time for opening the financial Bids of the technically qualified shortlisted bidders will be intimated separately in due course.

#### Performance of the Contractor:

The bidders qualifying the eligibility criteria will be evaluated by evaluation methodology set out below:

| SN                                            | Evaluation Parameter                                                                               | Maximum Marks Assigned | Marks Obtained |
|-----------------------------------------------|----------------------------------------------------------------------------------------------------|------------------------|----------------|
| <b>A. Financial Capability (Max 15 Marks)</b> |                                                                                                    |                        |                |
| <b>A.I</b>                                    | <b>Experience of Similar Works</b> in EPC Mode<br>(as per PREQUALIFICATION criteria: last 7 years) | <b>15</b>              |                |

Based on the marks awarded in the Technical Evaluation, only the bidders who scores **minimum 75 marks** shall qualify for the Financial Bid opening. It is the sole responsibility of the bidder to submit supporting documents (with undertaking) relevant to the aforesaid criteria.

**Stage 2- Financial Bid Opening:**

The Financial Bids of only those bidders who are technically qualified shall be opened through the official e-Procurement Portal. Upon opening, the e-Procurement system will automatically generate a Comparative Statement displaying the total prices quoted by all eligible bidders. This comparative statement shall be accessible to all participating bidders through the portal.

Bidders may also attend the financial bid opening session. The Employer shall award the contract to the bidder whose financial offer is determined to be the lowest evaluated bid, substantially responsive to the requirements of the Bidding Document, and who has been determined to possess the requisite qualifications to execute the contract satisfactorily.

**Letter of Acceptance:**

The Successful Bidder would be notified in writing by PMC/SBI by issuing the Letter of Acceptance (LoA) in favour of the Bidder.

A work order will be issued only after obtaining necessary statutory approvals for starting the construction works from respective authorities as per the stipulated time.

**FORM 'O'****AFFIDAVIT OF MEMORANDUM OF UNDERSTANDING (MOU)*****(to be submitted for each and every E&M component)***

M/s. (Name of the firm with full address) Enlistment Status Valid Up to: (Henceforth called the main Contractor)

M/s. (Name of the firm with full address) Enlistment Status Valid Up to: (Henceforth called Associated Contractor)

For the execution of E & M Component Works –

We state that M.O.U between us will be treated as an agreement and has legality as per Indian Contract Act (amended up to date) and the department (SBI) can enforce all the terms and conditions of the agreement for execution of the above work. Both of us shall be responsible for the execution of work as per the agreement to the extent this MOU allows. Both the parties shall be paid consequent to the execution as per agreement to the extent this MOU permits. In case of any dispute, either of us will go for mediation by the Engineer In charge. Any of us may appeal against the mediation to the PSU. His decision shall be final and binding on both of us.

**We have agreed as under:**

The Associated Contractor will execute all E & M work in a wholesome manner as per the terms and conditions of the agreement.

The Associated Contractor shall be liable for disciplinary action if he fails to discharge the action(s) and other legal action as per the agreement.

All the machinery and equipment, tools and tackles required for execution of the E & M works, as per agreement, shall be the responsibility of the Associated Contractor.

The site staff required for the E & M work shall be arranged by the Associated Contractor as per the terms and conditions of the agreement.

The site order book maintained for the said work shall be signed by the main contractor as well as by the Engineer of the Associated Contractor and by the Associated Contractor himself.

All correspondence regarding the execution of the E & M work shall be done by the department with the Associated Contractor with a copy to the main contractor. In case of noncompliance with the provisions of the agreement, the main contractor, as well as the associated contractor, shall be responsible. The action under clauses 2 and 3 shall be initiated and taken against the main contractor.

**Tender No. ....**

**Name of work: - CONSTRUCTION OF RESIDENTIAL & COMMERCIAL OUTFITS  
 AT HINJEWADI, PUNE. MAHARASHTRA in EPC Mode.**

**Dear Sir,**

With reference to the above-mentioned tender, I/We, the undersigned, hereby declare our commitment to implement **Building Information Modeling (BIM)** in the execution of the said project, in accordance with the technical specifications and tender conditions.

We undertake to use appropriate, licensed BIM software and technologies across all applicable project stages, including design coordination, construction planning, clash detection, quantity take-offs, and progress monitoring.

We will prepare and submit a comprehensive BIM Execution Plan (BEP) upon award of contract. This will include BIM roles/responsibilities, LOD standards, file naming conventions, collaboration workflows, and data exchange protocols as per the Employer's Information Requirements (EIR).

Below is a list of projects successfully executed by us using BIM:

| S.No | Project Name | Client / Employer details | Period of Construction | Scope of BIM Services |
|------|--------------|---------------------------|------------------------|-----------------------|
|      |              |                           |                        |                       |
|      |              |                           |                        |                       |

We hereby declare that the above information is true to the best of our knowledge and undertake to fulfill all BIM-related commitments as per project requirements.

***Yours faithfully,*****(Duly authorized signatory of the bidder)**

### Check List

Bidder shall follow and submit their Bid, indexed, page numbered and checked in the order as per the below **Check List** indicating the submission (Yes / No, by striking the not applicable). Bidder shall also submit any other specific instructions in the NIT as part of the Bid which shall also be included in the **Check List**.

| Sr. No. | Eligibility and Technical Documents                                                                                                                                                                                                                                                                                                                                   | Submittal status |    | Page No. |
